# hello!

## FROM YOUR FAVORITE TEACHERS!

Hello Families & Students of 6E!!

Here we are, at the end of the road. We are going to miss these students so much and feel cheated that we did not get to spend the rest of the year with them! We hope everyone has a fantastic, safe, and healthy summer. PLEASE do keep in touch, we are available through email any time and can even set up video chats!

This week's assignments are on the next page. We have some fun stuff to share with the kids this week.

We also would love to chat with the students on MONDAY on video chat. We'd love to get as many students as possible to join!

Westgators Final Video Chat: Monday at 11

Walshies Final Video Chat: Monday at 12

**DON'T FORGET:** On Tuesday, June 16 from 9-11, Sixth Graders are invited to come and pick up their belongings and wave "see ya later" to their teachers at the Ahern!

Students and families will stay in the car as the student's bag is loaded in and we wave from afar. We are looking forward to seeing as many students as we possibly can!

Also, please see a surprise on the last page from us to you 😊
